FEBRUARY VACATION

CAMPS

February 18-22, 2008

Monday – Friday

9AM – 4PM (Drop-off begins at 8:30AM)

**EARLY BIRD SPECIAL: Register by Jan. 14 to receive 10% off prices listed below!
Members receive 10% off prices listed below!***

LEGO ENGINEERING I	C.S.I. IN TRAINING
Campers will learn how to design and build creations, such as motorized vehicles and carnival rides, using various LEGO pieces. They will practice different techniques using gears and levers to make their non-computerized creation move in different ways.	Come spend a week with us trying to solve a murder mystery. Campers will learn how to assess a crime scene, gather and process evidence, and try to figure out “who dunnit.” Campers will have access to laptop computers to work on PowerPoint presentations throughout the week.
AGES: 7-10	AGES: 11-14
COST: \$320	COST: \$350

*Members receive an *additional* 10% off if registered by Jan. 14.
