Dear New Fifth Graders,

Welcome to fifth grade!! Here is a list of supplies that you will need in the fall when you begin fifth grade.

***many** sharpened pencils with erasers (and you will need more throughout the year!)

*blue or black pens for editing

*2 yellow highlighters (must be yellow)

*a box of crayons

*a package of washable markers

*a package of colored pencils

*a glue-stick and a small bottle of white school glue

*a pair of scissors

*a ruler with both inches and centimeters

*package of Stickies Durable Tabs or Flags for coding texts

*4 pocket folders for homework, science, music, and foreign language

*a pocket size dictionary

*2 spiral notebooks with 70-100 sheets of paper for editing and journal writing

*The school will provide an assignment book.

Some students like to bring a small toolbox/case type container or a zippered pocket case to keep their supplies organized.

I hope you have a wonderful, safe, and fun summer. We will have a great year together. I can't wait for us to begin!

Enjoy the summer!

Love,
Mrs. Maleno
