

SACRED HEART FAITH FORMATION PROGRAM OVERVIEW

Our Mission

Our mission is to assist all children in finding God in their lives and growing in the awareness of God's great love for them through Jesus; and to celebrate this truth with endless joy as a community of believers. This is a life long journey!

We Offer

Programs for Faith Formation
Sacramental Preparation
Rite of Christian Initiation Of Children
Children's Liturgy of the Word
Youth Ministry Opportunities
Confirmation

Religious Education

Faith Formation of Children Preschool through Grade Eight

Parents and families are the most effective catechists and the primary religious educators of their children. The family provides the basic understanding of faith formation through their daily- lived experiences. It is only through a cooperative partnership that we as a parish community and parents can foster the formation of the child or youth on their faith journey. We, as a staff, are committed to support the families on this journey.

Classroom Model

The formation of children takes place in an informal classroom setting with a Catechist and Assistant. Children experience their faith through the use of texts, including quizzes, tests. Formation in Catholic doctrine, tradition and scripture are all major components of the program in a Diocesan approved curriculum.

Children experience liturgy and a variety of prayer styles preparing them for a life long journey of faith. We are currently using the Faith and Life Series, Ignatius Press in most of our classes.

Sacramental Preparation

Preparation for the celebration of sacraments involves the family, community and the parish or school systematic catechetical effort. Parents are required to enroll their children in Faith Formation sessions as part of the on-going catechetical process. Children need to be enrolled and attending a Diocesan approved program one year prior before beginning preparation for the Sacraments of Reconciliation and Eucharist as well as Confirmation.

It is through a partnership with the school, parish and family that children are prepared for the celebration of sacraments. Parent Orientations for all the Sacramental Programs are held during the Fall and Winter.

Reconciliation

Immediate catechesis for the sacrament of Reconciliation is separate from catechesis for Eucharist. Parents, school families and the parish community work in partnership toward the formation of the child for the celebration of this sacrament. Once a child has reached the age of discernment (usually age 7) the child is invited into the preparation for the sacrament. This is such so that the child may celebrate Reconciliation prior to Eucharist. This is the norm of the church but in cases where the child due to immaturity is not ready for celebration of Reconciliation every effort will be made to continue to foster the formation process. We as Catholic Christians celebrate forgiveness and are welcomed back to the loving arms of the Father when we stray! This special day is usually held in the February.

Eucharist

Preparation for the sacrament of Eucharist is done most effectively in the home with reinforcement in the parish community. Therefore, the parish and school community will provide the parents with information in order to assist their children at home. A Parent Preparation Session will be scheduled in the winter.

All children planning to celebrate the Sacrament of Eucharist will be expected to join a Day of reflection/ retreat in April followed by the very special day of First Holy Communion, usually held in the beginning of May.

Confirmation

Preparation for the sacrament of Confirmation begins in ninth grade and continues into tenth grade. The sacrament of Confirmation is received in the late winter of the tenth grade. The program consists of classroom participation, virtues in action projects and a retreat in both the ninth and tenth grade years.

Children's Liturgy of the Word

Children age 4 through Grade 5 are invited to "break open" the Word during the 9:00am Mass. CLW runs year round.
