PRAYERS TO THE HOLY SPIRIT

OPENING PRAYER:

Holy Spirit, be with us and help us; work with us and teach us what is pleasing to you. You, who know all things, guide us to be prudent in all our undertakings; and protect us by your glory. Only then will everything we do be acceptable in your sight. Lord, may the Paraclete who proceeds from you enlighten our minds, and lead us to all truth, as your Son has promised. Through Christ our Lord, Amen.

CLOSING PRAYER:

O Holy Spirit, Divine Spirit of light and of love, to you we consecrate our understanding, our hearts, our wills and our whole beings, in time and eternity. May our understanding always be submissive to your heavenly inspirations and to the teachings of the holy Church of which you are the infallible Guide. Amen.
