Our mission of Sacred Heart School exists for the purpose of guiding all of its students, recognizing their unique learning styles and abilities, toward Catholic faith-based values and morals, academic excellence, creative expression, responsible citizenship, and physical and social development. is to provide a quality Catholic education in a safe, prayerful and disciplined environment in which each individual's academic and personal excellence is achieved.

The education offered at Sacred Heart School enables each child to develop spiritually, physically, socially, morally, intellectually and emotionally. Therefore, the growth of the whole child is promoted. As a result, students are challenged to regard the dignity and worth of each human being with an intrinsic respect for life.

The clearly defined objectives of Sacred Heart School adheres to the church's mission of Catholic education, integration of faith with life and learning. The teachers reflect the moral and spiritual values, practices and beliefs for which the school stands. They respect the uniqueness of each child by recognizing individual needs, gifts, talents and cultural differences while simultaneously pursuing a policy of respect through practice and example.

All of these elements are incorporated into the curriculum, carefully updated and revised annually to provide an efficient, Catholic, Christian environment, order, acceptance, accountability, justice, peace, and love.
