Sacred Heart Athletics

Many of our fifth to eighth grade students participate in our athletic program. Fall sports include both soccer and cross country. In the winter, we offer both girls' and boys' basketball. Our students compete in track and field during the spring. Sacred Heart School strongly values the qualities of dedication, sportsmanship, and integrity that are developed through competitive athletics.

Sacred Heart Academics

Students at Sacred Heart receive an academically rigorous education. In addition to the core curriculum, our elementary students take classes in technology, music, art, religion, physical education,

and both French and Spanish. Our middle school students also have the opportunity to take advanced mathematics courses.

Sacred Heart is pleased to have a robust chapter of the Junior National Honor Society. Sacred Heart is also the only Catholic school in the Diocese of Norwich with an inclusive special education program (the R.I.S.E.N. Learning Resource Center).

Sacred Heart graduates are well prepared for high school and any other academic opportunities that await them.
